Ticket Sales Form- *Hairspray*

(Due January 29th, 2016)

In an effort to market our show and get money to fund our show, we are asking that all cast members sell at least 10 tickets. There are two ways to do this:

Option 1: Cash Collection – Each pre-sale ticket costs \$10.00 and students can collect the money and hand it into the directors. Due to previous issues, please avoid checks. Our financial secretary does not accept checks if the date of deposit is more than a few days from the date written on the check. Also, this option will not allow for seat selection.

Option 2: Online Sales – Each student in the cast is listed as a Ticket Option under ticket sales on TicketRiver. When buying an online ticket, please select the student last name you wish to support. There is a convenience fee when buying tickets online.
